**Re: Commission Regulation 40.6(a) – Rule Certification
LedgerX LLC Submission No. 18-05**

Dear Mr. Kirkpatrick:

LedgerX LLC (“LedgerX”) hereby submits to the Commodity Futures Trading Commission (the “Commission”), pursuant to Section 5c(c) of the Commodity Exchange Act (the “CEA”) and Commission Regulation 40.6(a), an updated Fee Schedule (“Amendment”). The attached Amendment will become effective on February 28, 2018.

Various fees have been revised for early 2018. The changes being made are marked on a copy of the Amendment, which is attached hereto as Appendix A. This Amendment also includes revised fee amounts for the recently self-certified USDBTC day-ahead options contract.

LedgerX believes that the Amendment is consistent with the SEF Core Principles, because the Amendment (i) sets forth fees that are equitable, are very reasonable given bitcoin’s price history, and do not unfairly discriminate and (ii) sets forth the manner in which LedgerX will assess its fees in a clear and transparent way.

LedgerX certifies that the changes amendments comply with the CEA and Commission Regulations thereunder. LedgerX additionally certifies that it has concurrently posted a copy of this submission letter and the attachments hereto on LedgerX’s website at <https://ledgerx.com/>. LedgerX is not aware of any substantive opposing views to the Amendment.
